With the volatile markets, keep checking the website for changes in the upcoming sale schedule. Call and thank your Senators and Congressmen, USDA Sec of Ag, P&S, and other government sectors for the volatility in today's markets. Also, the fake news national media for blowing the Coronavirus very much out of proportion; Tuberculosis and the flu are by far more extreme. All they worry about are the flights, cruises, and NBA going broke. Have you heard the media voice their concern for farmers and ranchers? Something to think about!!
