The market was dollars lower this week. With a volatile Board of Trade, that has no rhyme or reason why! Then you have the Packers—they are breaking laws that were set forth by our government and not being enforced. Now that it's re-election time, and because of your calls, Senators & Congressmen are finally becoming active in our fight. If we do not stand up and fight now, we will not be existent as ranchers. Call your NCBA Headquarters and board members and keep them in check. How are the check-off dollars helping us now? Now we need the "B" out of our National Cattlemen's Association. We have no voice as long as the Packers are in the NCBA. Keep calling Senators, Congressman, Packers & Stockyards Office, USDA, NCBA, and office of the President of the USA! We need to fight; more now than ever!
 God Bless the Cattlemen and Cattle Feeders!
